Adagio ♩ = 60

Storms have all passed. Wa-ters are calm now. I hear your voice, soft and low, call-ing me home.

Day-light now fades. Night is now fall-ing. I hear your voice call-ing me,

Day-light now fades. Night is now fall-ing. I hear your voice call-ing me,

Day-light now fades. Night is now fall-ing. I hear your voice call-ing me,

time ___ to come home. Gen-tle waves, ___ Gen-tle waves, ___

time ___ to come home. Gen - tle waves, Gen - tle waves,

time ___ to come home. Gen - tle waves, Gen - tle waves,
