

Have you wanted to send our “Rest Easy” collection as a gift, but haven’t known how?

Here is a simple step-by-step process:

1. Use your computer or device to go to thresholdchoir.org

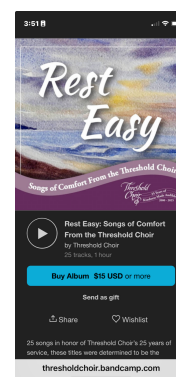

2. Click on “Rest Easy Album”, and you’ll get to one of these screens:

a. Computer view:

b. Phone app view:

3. Look for the “Send As Gift” fine print and click on it, which will open to this screen:

The screenshot shows the "Send As Gift" form on a phone. The form has a white background with a dark border. At the top, it says "Gift - Digital Album". Below that, it says "We also offer Bandcamp gift cards." Below this, there are four input fields: "Your name:", "Recipient's name:", "Recipient's email:", and "Personal message: (optional)". Below the input fields, there's a "Continue" button. At the bottom, there's a "Send as gift" button. Below the button, there's a paragraph: "25 songs in honor of Threshold Choir's 25 years of service, these titles were determined to be the most often sung songs in the Threshold Choir repertoire by members all around the world." Below that, there's a link to "thresholdchoir.bandcamp.com".

4. Simply input the required information (and a personal note, if you wish), and after you complete the purchase, a notice with a link to the album will be sent to your recipient, and they can use the Bandcamp app to access, download, and listen whenever they wish.
